Dahlia and Arts

We are very excited to once again be part of the Eaglehawk Dahlia and Arts

Festival in 2019. We will be participating in the Eaglehawk UFS Dispensary Gala Parade. The theme for the annual street parade is 'We are One'. The procession starts in Bright Street and proceeds to Darling Street along High Street. Students have been invited to represent our school in this parade and notes have been sent out. Notes need to be returned ASAP so final numbers can be gathered and final organisation will begin. We look forward to a fantastic day at the event.

Have a great weekend,

Jo Ryan

Class Interruptions

It is understandable that there will be times when you have been unable to inform your child of an early pick up, appointment or other messages. To avoid class time interruptions please try to have these arrangements organised prior to school. If you need to collect your child during class, please sign them out at the office and then collect them from their classroom. PA announcements are only made at specific times throughout the day to avoid disruption. Thank you for your understanding.

PLACE VALUE AND NUMBER

4/5 HASTY/TONZING

Over the past three weeks during Numeracy lessons we have been exploring 2, 3, 4 and 5 digit numbers. Maths activities in our classroom have focused on place value, rounding and using number lines.

This week we made a large 0 - 100 number line from string. Students had to determine where to peg their number on the number line and give reasons as to why they put it there. They also had to work out where the half way point was on number lines that started and ended at different points. For example, what number would be marked at halfway on a number line starting at 50 and ending at 150?

The children have enjoyed these 'hands on' activities and have engaged in great discussions about how to solve these maths problems in different ways.

Happy Birthday to Zali S, Eric M, Tin A, Charlotte A, Aye Moo K, Darcy H, Joshua S-D and Makaylah T.

We hope you have/had an awesome day.
