WHAT HAVE ROOM 9 BEEN UP TO?????

This term we have been busy getting back to work in the classroom. The students who are in Year 6 are preparing themselves for Year 7 whilst the Year 5's are preparing to be School Leaders in 2021.

In writing we have been focussing on responses, narratives and poetry. In reading we have been looking at the comprehension strategies of summarising, predicting, search for and use information to monitor and correct.

In numeracy we have focussed on place value, number patterns, worded problems, symmetry, tessellation, position, location and time.
