Dahlia and Arts 20 – 24 March

We are very excited to once again be part of the Eaglehawk Dahlia and Arts Festival on Saturday 21 March 2020. We will be participating in the Eaglehawk UFS Dispensary Gala Parade. The theme for the annual street parade is 'Over the Bridge'. The procession starts in Bright Street and proceeds to Darling Street along High Street. Students have been invited to represent our school in this parade and notes have been sent out. Notes need to be returned ASAP so final numbers can be gathered and final organisation will begin. We look forward to a fantastic day at the event.

Naming Clothing

Each year we have a large amount of lost property at school. Please clearly name all items of clothing, including hats, so that it can be quickly returned to its owner.

Enjoy the weekend!

Room 7 News

In Term 1, Room 7 have been learning about time, whether it be different times of the day, week or year.

Over the past few weeks the students have been looking more specifically at the time told on an analogue clock. As part of this topic the students created their own clocks to display in the classroom which they are all extremely proud of.

Dahlia and Arts Gala Parade - Saturday 21st March

Lightning Reef Primary School will again be participating in the annual Dahlia and Arts Gala Parade and we invite our students to join us.

The theme for this year is 'Over The Bridge'. Students will carry pictures of famous faces and places in Eaglehawk.

Children will need to be dressed in Sun Smart clothing and will wear a bright t-shirt provided by the school.

All participating students will need to be dropped to the marshalled area by an adult at 12.00 and picked up at the end of the parade by 1.00pm.

Notes were sent out last week and need to be returned by the 9th of March.

More details will be sent out once finalised.

This is a fantastic event for children to be involved in! Please encourage your children to be a part of it.

Head lice have been around for many thousands of years.

Anyone can get head lice.

Head lice are small, wingless, blood sucking insects.

Their colour varies from whitish-brown to reddish-brown.

Head lice only survive on humans. If isolated from the head they die very quickly (usually within 24 hours).

People get head lice from direct hair to hair contact with another person who has head lice. This can happen when people play, cuddle or work closely together.

Head lice do not have wings or jumping legs so they cannot fly or jump from head to head. They can only crawl.
