## From the Principal :

What a terrific end to Term One!

On Wednesday, Ms G led the school in our Lightning Bolt reward that saw everybody dance around in bubbles.

We are all very tired, but are feeling so fortunate to work in such a wonderful school. Thankyou to our staff– they are amazing!

Farewell and best wished to Denni, who has been the Holiday Program/OOSHC Coordinator and recently ES for over three years. We hope to see Denni return to us as a CRT when she gains her permission to teach.

### **NEW STAFF**

We welcome Emmanuel Kerr to our teaching staff. Emmanuel will replace Elise from next term, when she commences her Maternity Leave. Emmanuel has a wealth of experience, and is known to the school community, as he was a CRT until taking on this role.

We also welcome Britt Giles as a new ES. Britt will be based in Room 2 with Mrs Drum.

Yesterday, we also managed to arrange for two more ES who are part of a special Pre-Service Teacher Program with La Trobe Uni. (As is isa). Cindy and Lilli will attend our school one day a week next term, and two days a week next semester as they complete their Uni Teaching Course.

## **CROSS-COUNTRY RACE AND FUN RUN**

We finished our day yesterday with the Cross-Country Race and Colour Fun Run. It was so lovely to have so many family and friends here to watch their families.

We followed the Colour Run with the annual Staff Sliming! The students who raised the most money got to slime a staff member of their choice.

We raised a lot of money for the school. Mr West will let us all know the final results next term and we will also add photos of the day.

A special thanks to Mr West for organising the day at the end of term.

## **RCH GOOD FRIDAY APPEAL**

The SLC managed to raise over \$250 for the RCH Good Friday Appeal for sick kids, selling Zooper Doopers each first break. The Easter Raffle was drawn today too.

Thank you to the SLC for giving up their first break for two weeks to sell the Zooper Doopers and raffle tickets.

Also a special thanks to Ms B, as the SLC Co-ordinator. She went above and beyond to organise the fundraising.

## **SCHOOL COUNCIL**

Nominations for School Council have now closed, and we congratulate Dash Turnbull on being re-elected and welcome Julie Darcy as a new parent representative to our School Council. They join Sonia Valli, Donna Rutherford and Hannah Allen as our Parent Representatives. Peter Millar has also joined School Council as a Staff Rep, along with Katrina Johnstone and Amy Gillett.

We thank Paul Keller for his time on School Council.

## **FIRE DRILL COMPLETED**

We conducted our First Term Fire Drill earlier this week. This time we practiced sheltering in place– In the very unlikely event that evacuation from our school site is no longer a safe option, our school community will all move to our Gymnasium until the emergency has passed, or a more suitable alternative is made available by Emergency Services.

The school did such a great job! Only Mrs Johnstone, Kristie and I knew before the drill alarm sounded, but students and staff were all in the Gym within minutes!

Safety Drills, including Fire and Lockdown Drills are conducted each Term, in line with DET policy.

I'm out of the country for the break, and Mrs Johnstone will be Acting principal during the break. If you need school support over the break, please leave a message on Mrs Johnstone's phone– 0472 826 516.

I would like to wish everyone a safe and happy Easter. We look forward to seeing everyone back on Monday 15th April.

## School preparations for the bushfire season

Each year, to prepare for bushfires and grassfires, schools and early childhood services complete a range of activities.

The Department of Education runs an annual fire risk assessment of schools and early childhood services. They are allocated a category of risk (categories 0 to 4) and are published on the Bushfire At-Risk Register (BARR).

All schools and early childhood services listed on the BARR and Category 4 list will also close when a Catastrophic fire danger rating day is forecast in their fire weather district.

When the Bureau of Meteorology provides public fire danger rating forecasts or fire weather warnings, they use fire weather district areas. In Victoria, there are 9 fire weather districts, which are based on Local Government Area boundaries. Our school is in the Northern Country fire weather district.

As part of preparing our school for the fire season, we have updated and completed our Emergency Management Plan and reprioritised any maintenance works that may assist in preparing for the threat of fire and cleared our facility's grounds and gutters.

### ***What does this mean for our school?***

**Our school has been identified as being at risk of bushfire or grassfire and is a Category 3 school.**

Our school will close on a day forecasted as **Catastrophic fire danger rating** in the **Northern Country fire district**.

### ***What is the department's policy?***

The department's [Bushfire and Grassfire Preparedness Policy](#) requires all schools and early childhood services on the BARR and the Category 4 list to close when a Catastrophic fire danger rating day is forecast in their fire weather district. All school bus routes which travel in or through a district with Catastrophic fire danger must also be cancelled.

### ***When will our school be closed due to Catastrophic fire danger?***

**Our school will close on a day forecasted as **Catastrophic fire danger rating** in **Northern Country fire district**.**

Website <https://emergency.vic.gov.au>

Facebook (<https://www.facebook.com/vicemergency>)

Twitter (<https://twitter.com/vicemergency>)

Closure of the school due to a forecast Catastrophic day will be confirmed on the day prior and we will provide you with advice before the end of the school day. Any information regarding potential or confirmed Catastrophic fire danger days will be communicated to you by SMS, Compass notification and DoJo.

**Once confirmed, the decision to close will not change, even if the weather forecast changes.** This is to avoid confusion and help your family plan alternative care arrangements for your child. It is also important to be aware that:

No one will be on site on days where the school is closed due to a forecast Catastrophic day.

Out-of-school-hours care will also be cancelled on these days.

All bus routes that travel through the Catastrophic area will be cancelled.

School camps will be cancelled if a Catastrophic fire danger rating day is forecast for fire weather district in which the camp is located, or if the travel involves passing through areas that have Catastrophic fire danger.

Families are encouraged to action their Bushfire Survival Plan on Catastrophic fire danger rating days. **On such days, children should never be left at home alone or in the care of older children.**

For those of us living in a bushfire prone area, the Country Fire Authority (CFA) advises that when Catastrophic days are forecast, the safest option is to leave the night before or early on the morning of the Catastrophic day.

### ***What can families and the school community do to help us prepare?***

- Ensure we have your current contact details, including your mobile phone numbers.

Keep in touch with us by reading our newsletters, checking our website [Lightning Reef Primary School – Learners today Leaders tomorrow \(lightningreefprimaryschool.vic.edu.au\)](http://lightningreefprimaryschool.vic.edu.au), by talking to your child's teacher or any other member of the teaching staff about our emergency management plan.

Make sure your family's bushfire survival plan is up-to-date and includes alternative care arrangements in the event that our school is closed due to elevated fire danger or closed due to a Catastrophic fire danger. Further information can be found on the [CFA's website](#).

- Action your family's bushfire survival plan if your own triggers are met. Our school community may be spread out across many areas and some families may be at higher risk than others. Your family's safety is critical, so please let us know if you are actioning your bushfire survival plan and if your children will be absent on these days.

If your child is old enough, talk to [them about bushfires](#) and your family's bushfire survival plan.
